

Be a mentor. Make a difference.

Support the professional growth of ASU students through networking opportunities and structured mentoring programs — including the **W. P. Carey Professional Mentorship Program** — available on demand through the **ASU Mentor Network**.

Alumni and professionals are W. P. Carey mentors

The W. P. Carey Professional Mentorship Program matches undergraduate and graduate business students with a professional mentor for 12 weeks each semester, with access to goals and resources to support and structure a defined mentoring relationship.

Visit wpcarey.asu.edu/mentors to sign up, create your profile, and choose to mentor up to three student mentees.

Match with graduate or undergraduate W. P. Carey students for structured mentorship.

Meet regularly to help your mentee(s) achieve goals and offer guidance to support their professional development.
