Named in honor of our benefactor, the late investor and philanthropist Wm. Polk Carey, Arizona State University's W. P. Carey School of Business is internationally recognized for its leadership in business education. The school is consistently ranked among the best business schools by *U.S. News & World Report* and other publications for its undergraduate programs, MBA programs, and online learning.

**About ASU’s Polytechnic campus**

Located in the heart of the dynamic East Valley, ASU's Polytechnic campus features more than 50 sustainable buildings and thousands of square feet of lab space, spread across 600 acres. The Phoenix-Mesa Gateway Airport borders the campus on the east, along with Chandler-Gilbert Community College. SanTan Village, a dynamic shopping and dining complex, is just minutes away from campus.

It's a beautiful campus that offers you a hands-on learning environment and small-college atmosphere. With a new residential community, Sun Devil Fitness Complex, dining hall, and student services that include advising and career support, W. P. Carey students have all the resources for success at ASU's Polytechnic campus.

**Degree options at the Polytechnic campus:**

- **Business administration**
  - Learn how to manage people, finances, and risk for organizations of all sizes

- **Communication**
  - Develop your communication skills and gain a versatile business foundation

- **Food industry management**
  - Launch an exciting career in one of the biggest and most essential sectors of the global economy

- **Global agribusiness**
  - Navigate the complex global food and agribusiness system with knowledge in policy, economics, and the supply chain

- **Human resources**
  - Develop critical thinking and decision-making skills to thrive as a human resources professional

- **Management**
  - Gain the expertise to manage people, streamline operations, and lead on a global scale

- **Sustainability**
  - Learn to simultaneously improve growth and risk management to create a better future

- **Technological entrepreneurship and management**
  - Prepare to address social and corporate issues and change the world

- **Technology**
  - Learn to support business with management innovation and technology

---
