Named in honor of our benefactor, the late investor and philanthropist Wm. Polk Carey, Arizona State University’s W. P. Carey School of Business is internationally recognized for its leadership in business education. The school is consistently ranked among the best business schools by U.S. News & World Report and other publications for its undergraduate, MBA, and online programs.

About ASU’s West campus
Blending liberal arts education with 21st century workforce preparation, ASU’s West campus provides modern amenities in its classrooms, residence halls, dining facilities, and the Sun Devil Fitness Complex and swimming pool. Subtropical landscaping, fountains, and outdoor enclaves provide opportunities for students to socialize or collaborate while pursuing any of the more than 50 undergraduate and graduate degree programs.

West campus landmarks include the Albert Paley-designed entry gates, extensive public art, and at the center of campus, Fletcher Lawn. This commons is a contemporary homage to traditional university education, as is the Oxford-inspired architecture around it on the courtyard-fashioned campus.
